<u>Print instructions:</u>

There are three different printable versions of the Safety Poster available. To print the poster as A1, A3 and A4 size, complete the following steps:

- Open the desired poster
 -Select "File"
 -Select "Print"
- Select the desired Printer
- Select "Properties"
- Select "Paper" and choose the desired paper size
- Select "Color Options" and then "Color or Black and White / Grayscale"
- Click "OK"
- Check for Page Handling of "Choose paper source by PDF page size"

- Select "OK"

(The printing of different sizes can obviously only when the printer has this capability to print.)
